Thanks Liz,

I am having a difficult time keeping my box empty. I have responded to the doodle poll. Unfortunately, I am on travel in Idaho Sept. 8-10, so only available on the 7th.

Elaine,

Thank you for the suggestion. I will draft an update email to send early next week.

Also, when I sent an email yesterday to respond to Jeff's comments and to try and set up a meeting for the week of September 6th, I received an error message from you. When you have the opportunity, please visit this <http://www.doodle.com/yewatpczdeitz9b2> poll to indicate your availability. We are planning on reserving two hours for the meeting.

Hello Liz,

After our discussion earlier today and my subsequent participation in a standing quarterly Hawaii Historic Preservation Partners call, where I was asked by some of the consulting parties for an update on the transit PA, I am wondering whether it might be prudent for you to provide the other consulting parties with an update that at least lets them know what is happening and when they will have an opportunity to further participate in the consultation. Some of the parties feel that concerns they expressed during the last all-parties meeting in November 2009 have not been addressed. I suggested they contact you directly; however, I also wanted to convey the concern to you in advance. I believe that an update directly from FTA would be welcomed.
